Participating Dental Providers

This is a listing of the names, addresses and phone numbers of the dentists who are currently participating with the Benefit Trust Fund's Dental Plan. These dentists have agreed to provide covered dental procedures at NO OUT-OF-POCKET EXPENSE to Fund members and their eligible dependents when the GNTA Benefit Trust Fund is the primary carrier.

Those who have a different primary carrier must submit a claim from the dentist to that primary carrier first.

After primary benefits have been paid, the GNTA Benefit Trust Fund will consider the unpaid portion for payment. The Fund may reimburse the provider up to 100% of the unpaid portion (according to the fee schedule). In addition, and at no extra cost, the Trustees, through Dickinson Group, LLC, have enhanced the program by adding access to Sele-Dent PPO Network, with over 4,000 participating providers including Board Certified Specialists. If you wish to use and locate a Sele-Dent participating provider, you can visit www.Sele-Dent.com or call 1-800-520-DENTAL.

This listing is provided as an information service only, for the convenience of covered members and their eligible dependents.

The Fund does not recommend the services of any particular dentist. The participating providers have been selected because they have agreed to accept the Benefit Fund's dental fee schedule as PAYMENT IN FULL FOR COVERED SERVICES. If you or your eligible dependents are charged for any covered service by a panel provider, please do not pay and contact the Fund Office immediately. The Fund requests that you report any irregularities including rudeness, unsanitary conditions and difficulty in obtaining appointments at convenient hours to the Fund Office.

A dentist's participation is subject to change - therefore, when you call for your appointment be sure to verify that the dentist is currently participating with the Fund. As this list is subject to change, please confirm prior to first appointment that the chosen provider is still participating
