**Open Enrollment in CIGNA (DHMO)DENTAL HEALTH
(During the month of February, 2015)**

The **GNTA Benefit Trust Fund** is once again offering an open enrollment during the month of February, 2015, through CIGNA Dental Health, Inc. This program is offered as an alternative to the **GNTA Benefit Trust** self-insured dental plan.

Some of the features of **CIGNA DENTAL CARE** include:

- No claim forms
- No deductible
- 100% coverage for oral exams, cleaning and x-rays (2 per year)
- Full coverage or minimal out-of-pocket expense for most procedures
- No dollar limits
- Continuation of coverage at the time of retirement for up to 18 months under COBRA (You must be a CIGNA member at the time of retirement to continue coverage through COBRA.)

The CIGNA DENTAL HEALTH program is a health maintenance organization where you must use a participating dentist in order to receive dental care. These dentists are screened regularly and monitored by CIGNA so that high dental care is provided.

If you choose to enroll in **CIGNA DENTAL HEALTH**, you will not be covered by the GNTA Benefit Trust self-insured dental plan, since this plan is offered as an alternative, and you may not be enrolled in both.

Enrollment is for one year. There will be an open enrollment every twelve months at which time you may choose to continue to be covered under the CIGNA plan or to be covered under by the GNTA Benefit Trust dental plan.

If you would like to receive information about the CIGNA plan, please call The Cottage for an enrollment packet.

*****You must DESIGNATE a Cigna dentist that accepts our
DHMO plan #3216328 upon enrollment.**
