

THE GREAT NECK TEACHERS ASSOCIATION COMMUNITY ADVOCACY NETWORK (GNTA CAN) IS PROUD TO ANNOUNCE...

WE'RE PUTTING OUR BEST FOOT FORWARD TO SUPPORT OUR COMMUNITY!

BOMBAS

We are proud to share that the Great Neck Teachers Association Community Advocacy Network (GNTA CAN) received a generous donation of 1,000 pairs of socks from Bombas.

Bombas invites schools and educators to apply for a donation of socks to support socioeconomic needs in their communities. Through their Back to School initiative, the company grants some of the application requests, intending to distribute up to 350,000 pairs in all.

In collaboration with our district social workers and through district clothing pantries and various holiday gift programming initiatives across the school buildings, the Great Neck Teachers Association Community Advocacy Network (GNTA CAN) successfully distributed all 1,000 pairs of socks to support those in our community!
